

ABSTRAK

Pengelolaan Dana Desa terhadap Pengembangan Badan Usaha Milik Desa dan Kesejahteraan Masyarakat. Penelitian ini bertujuan untuk mengetahui : (1) Pengaruh Pengelolaan Dana Desa terhadap Pengembangan Badan Usaha Milik Desa Pada Desa di Kecamatan Tempeh. (2) Pengaruh Pengelolaan Dana Desa terhadap Kesejahteraan Masyarakat Pada Desa di Kecamatan Tempeh. Data penelitian ini terdiri dari Dana Desa, Badan Usaha Milik Desa, Kesejahteraan Masyarakat, diperoleh dengan membagikan kuesioner peneliti. Populasi dalam penelitian ini berjumlah 13 desa dan untuk sampel penelitian adalah 3 yang berada di Kecamatan Tempeh, yang dipilih dengan menggunakan metode purposive sampling dengan kriteria desa memiliki Badan Usaha Milik Desa yang masih beroperasi. Data dianalisis menggunakan regresi linear berganda. Berdasarkan hasil pengujian disimpulkan bahwa (1) pengelolaan dana desa berpengaruh signifikan terhadap pengembangan badan usaha milik desa (BUMDes). (2) pengelolaan dana desa berpengaruh signifikan terhadap kesejahteraan masyarakat. Hal ini membuktikan bahwa pengelolaan dana desa dapat memberikan pengaruh terhadap pengembangan badan usaha milik desa dan serta meningkatkan kesejahteraan masyarakat.

Kata Kunci : Dana Desa, pengelolaan, perencanaan, pelaksanaan, pertanggung jawaban, pengembangan BUMDes, dan kesejahteraan masyarakat.

ABSTRACT

Village Fund Management for the Development of Village Owned Enterprises and Community Welfare. This study aims to find out: (1) The Effect of Village Fund Management on the Development of Village-Owned Enterprises in Villages in Tempeh District. (2) Effect of Village Fund Management on Community Welfare in Villages in Tempeh District. The research data consists of Dana Desa, Village-Owned Business Entities, Community Welfare, obtained by distributing researcher questionnaires. The population in this study amounted to 13 villages and for the study sample were 3 who were in Tempeh Subdistrict, which were selected using the purposive sampling method with the criteria of the village having a Village Owned Enterprise that was still operating. Data were analyzed using multiple linear regression. Based on the test results it was concluded that (1) management of village funds had a significant effect on the development of village-owned enterprises (BUMDes). (2) management of village funds has a significant effect on community welfare. This proves that the management of village funds can influence the development of village-owned enterprises and improve community welfare.

Keywords: Village Funds, management, planning, implementation, accountability, BUMDes development, and community welfare.
